Dear tagginbac,

Robib

Robin: I called that guy in Tennessee and he said your lying. He's sending me that machine COD to prove his good faith so I won't loose a thing after all. As I said call him at: 931-656-3321 and hash it out. I'm out of it,I got what I want and as a former toolmaker I'm taking his advise and going in to making them only making them a little bigger. He say's they would sell like popcorn, I saw that when I first looked at Earl site and read his info on it. DJ
